# GTI12

You have opened a position of 950 lots GTi12 at the price of 21.38 USD.

**Total Volume:**

| | | | | | | |
|---|---|---|---|---|---|---|
| 950 Lots | x | 1 (contract size) | x | 21.38 (opening price) | = | 20,311 USD |

In this case, the aggregate notional USD value of open positions on GTi12 is greater than 20,000 USD but less or equal to 50,000 USD which falls within Tier 1, and 2, therefore, leverage of 1:100 is provided for the first 20,000 USD, and leverage of 1:50 for the remaining 311 USD.

CALCULATIONS:

20,000 X 1/100 = 200 USD

311 X 1/50 = 6.22 USD

Margin requirement = 206.22 USD

Account currency is BTC, therefore 206.22 / 21,000 (BTCUSD price)

Margin requirement = 0.00982 BTC
